Dear Colleagues ,

Greetings for the New year 2023 to you and your families .Let there be abundance of Joy , Good Health and Happiness .

OUR MOTTO THIS YEAR WILL BE "CUSTOMER FIRST "

As we venture into the New year 2023 with full vigour and energy , am citing below major Milestones of 2022.

- We started our Compressors Division under brand name TRUECOMP .
- We launched the TRUECOMP COMPRESSORS @EXCON2022 BANGALORE
- We started operations for TRUECOMP Compressors and INDUS Crushers at a new plant at Chakan Pune. This will be a world class facility with best process/ equipments .
- We participated in major Exhibitions in India like EXCON @BANGALORE , INTERMAT @ Mumbai, STONEMART @Jaipur , ODISHA INTERNATIONAL MINING EXHIBITION @ BHUBNESWAR .
The customer response at each of these exhibition was good .

This year we have great opportunity to grow our business further , this is keeping in mind the major thrust by the GOVT OF INDIA for INFRA / Mining projects .

To reach new heights we have to shed away our traditional methods of working / approaching the market .A major Change in our methods is necessary , greater team work, commitment and overall responsibility is required . We will be focusing on value selling & increasing revenues of our AFTER MARKET . As I conclude I want to once again reiterate that our CHANGE in methodology is a must with increased focus in After market business .
